Mr. Williamson has held positions of responsibility from the very outset of his Agency career. While demonstrating ample qualities of leadership and excellent managerial skills, his continuing interest lies in the real heart of Agency activities--the production of intelligence and the conduct of actions against our targets. This was high-lighted during his recent tour as COS, Costa Rica. The last year of his tour was marked by two extremely delicate, highly productive operations

During the past year, the task of supervising the M/Chile Branch has been a most challenging one. Chile has become a knotty foreign policy problem, and is the subject of continuous and extensive discussions between the Agency, the State Department, and other components of the Government, while receiving the attention of the most senior policy makers. Requirements from many directions have required constant pressure to respond with ideas, methods, procedures and the subsequent position papers. Through it all Mr. Williamson has maintained a sense of balance and professionalism which permits a proper focus on the crisis of the moment. We have been fortunate in having an officer of Mr. Williamson's caliber in this position during such a difficult period.

In recognition of Mr. Williamson's demonstrated continuous superior performance as a senior intelligence officer, which has contributed to the accomplishment of the mission of the Agency, it is recommended that he be awarded the Certificate of Distinction.

Dear Earl:

You have just completed, at my direction, seven weeks of full-time service on the GS-13 Clandestine Service Personnel Evaluation Board. I know that this work has been particularly demanding. Your participation and diligent application of your professional experience have been decisive factors in the successful accomplishment of the Board's missions.

In the course of this assignment you have become thoroughly familiar with the use and interpretation of personnel files and personnel practices of the Clandestine Service. Having reviewed and analyzed the files of one hundred or more CS officers, you have had to make judgments and recommendations concerning their relative-ranking and their qualifications for promotion, for training required to overcome a deficiency or enhance career effectiveness, for changes of assignment to further career development and for Quality Step Increases to recognize outstanding performance. In so doing, you have carefully studied the career development of a large number of officers in all components of the CS, both as individuals and in relationship to each other in terms of merit and value to the Clandestine Service.

You have become familiar with a broad spectrum of personnel and administrative problems on a practical working level and have acquired a knowledge of personnel management which will better equip you to handle supervisory positions which require personnel reporting and career development of subordinates. The committee format of the panels has also deepened your understanding of the conference approach to management problems.

MEMORANDUM FOR:

Earl J. Williamson

SUBJECT

: Foreign Divorce Decree

1. The purpose of this memorandum is to bring certain information to your attention which relates to the fact that your current spouse was a party to the dissolution in Mexico of a former marriage.

2. Recently, the Office of General Counsel completed a study of the validity of a Mexican divorce decree and potential problems arising from such a divorce for JKLANCE employees concerned and JKLANCE. A summary of OGC's study is attached.

3. You will note from the attachment that the employee whose current marriage follows a Mexican divorce may be confronted with serious problems affecting eligibility for payment of various government benefits such as reimbursement of hospitalization expenses, survivorship benefits and certain types of overseas allowances. My purpose in writing to you, therefore, is to be sure you are made aware of and understand the seriousness of the problems which would arise in the event of a challenge to the validity of the Mexican divorce and, consequently, to the validity of the current marriage. This challenge could arise at any time and from a number of sources.

4. JKLANCE has another interest stemming from Mexican divorces and this is one of security, depending upon the employee's specific employment. In the event such a divorce is challenged, subsequent litigation and attendant publicity become quite probable. It is, of course, in JKLANCE's best interest that this sort of activity be avoided where possible.

5. Recognizing that there are various types of Mexican divorce, and also that the various states in the United States have decided cases in different ways depending on the type of Mexican divorce involved and its own case law,

you may wish to discuss your personal situation with your attorney or a representative of JKLANCE's Office of General Counsel. In the meantime, however, JKLANCE's position with respect to your situation is that it assumes the validity of your current marriage, unless the earlier Mexican divorce action and your current marriage are challenged. Should that challenge ever occur, it may be necessary for JKLANCE to determine that your eligibility for benefits based on your current marriage must be suspended until such time as the challenge is litigated or otherwise resolved. Special note should be taken of the fact that such a challenge might arise after your death, possibly resulting in the distribution of insurance proceeds and other death benefits to other than your immediate family as constituted at your death and contrary to your own intentions and wishes.

6. Please advise me of your plans and any actions taken in connection with the above. If you have any questions on the substance of this memorandum or its purpose, please do not hesitate to let me know.

USLUGAGE -

- Notification of Designation as a Participant in the Organization Retirement and Disability System

Action: Advise Subject

REF: Book Dispatch 5096

1. Subject has been found to be qualified as a participant in the Organization Retirement and Disability System and has been so designated effective 24 October 1965.

2. Although such designation under present statutes is viewed favorably by most persons, the regulation governing this retirement system gives the individual the right to appeal such a determination if he deems the designation adverse to his best interests. In order that this technical requirement may be satisfied, subject should be notified promptly of his designation and of his right to appeal. Any questions he may have should be answered in accordance with information contained in Book Dispatch 5096 or referred to Headquarters. An appeal with reasons therefore must be received in Headquarters within 60 days of the date of this dispatch or acceptance of designation will be assumed.

3. We believe that the benefits of the Organization retirement system are superior to the benefits of the Civil Service retirement system. However, there are a few situations in which an employee at the time of retirement may have so many years of service (almost 37) that he would receive a higher annuity under the Civil Service system. Because of this, the policy decision has been made that a participant in the Organization system who would receive a higher annuity under the Civil Service system may, not later than one year prior to his retirement, apply to be removed from our system and transferred to the Civil Service system. Thus, subject should not anticipate this contingency as a factor in deciding whether he regards his designation as a participant adverse to his best interests.

MEMORANDUM FOR: Deputy Director for Central Intelligence

THROUGH : Director of Personnel

SUBJECT : Request of Earl J. Williamson, GS-15, to
Remain in the Employment of CIA Following
Marriage to an Alien

1. This memorandum submits a recommendation for your approval: this recommendation is contained in paragraph 7.

2. Mr. Earl J. Williamson, a GS-15 Operations Officer, has requested permission to remain in the employ of CIA as a Staff Employee following his marriage to Miss [redacted] a 26 year old Cuban citizen living in Spain. The marriage is scheduled to take place in October 1965.

3. Mr. Williamson, 50 years old, attended Loyola University in 1947-48 and Berlitz School of Languages in 1948. Prior to joining CIA, Mr. Williamson served with the U.S. Army (1942-49) achieving the rank of 1st Lieutenant in CIC. Subsequently, he was Chief, Civil Intelligence Branch in the Panama Canal Government (1949-52). Mr. Williamson entered on duty with CIA in June 1952 as a GS-12 Operations Officer with WH Division. In January 1953 he was appointed DCOB, Havana, remaining in this position until January 1959 when he was reassigned to Headquarters. In August 1960 Mr. Williamson was assigned to Madrid and in 1963 was appointed DCOS, Madrid, which is the position he presently occupies.

[redacted]

5. Chief, WE Division strongly believes on the basis of past performance and proven ability that Mr. Williamson is the kind of officer whom the Agency should retain. Mr. Williamson's record to date shows that he is a mature, experienced, and dedicated officer,

who has spared no effort to expand and improve the Agency's coverage in his area of assignment. WE Division and WH Division, where Mr. Williamson will be reassigned, foresee no difficulty, adverse effect in future usefulness or mobility as a result of this marriage.

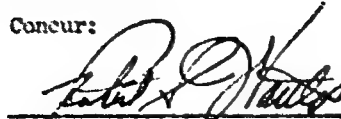

6. I have reviewed Mr. Williamson's employment record and consider him an able and valuable member of the Clandestine Services. He has consistently performed his duties well, has strong to outstanding Fitness Reports, and is a definite asset to the Agency. I believe that the proposed marriage will not detract from his long term use by the Clandestine Services.

7. In view of the above consideration, I recommend that Mr. Williamson be continued in Staff Employment Status following his proposed marriage.

MEMORANDUM FOR: Clandestine Services Career Service Section A

SUBJECT: Recommendation for Promotion - Mr. Earl J. Williamson

1. Since October 1960, Mr. Williamson has served as Deputy Chief of the Madrid Station, and during an extended period of this time, he was Acting Chief of Station. His performance has been outstanding. Not only has he assisted his Chief in the management of the Station, but simultaneously managed to reinvigorate [] which was the particular area of responsibility originally assigned to him. His service has been noteworthy not only for his vigor in initiating new activities but also for his balanced, yet energetic, cutting away of deadwood, useless procedures and purposeless activity.

2. In recent months, in part on his own initiative, and later under forced draft at Headquarters direction, Mr. Williamson has been instrumental in mounting an active operational program targeted against []. Due almost entirely to the imagination, energy, and effort which he has applied, this program has already had considerable success in the acquisition of intelligence and the recruitment of agents, and promises to be even more productive in the future.

3. Mr. Williamson's activity since his assignment to Madrid is clearly of outstanding caliber and it is noteworthy that the present Chief of Station as well as the preceding Chief of Station have both, on the record, rated him as exceptionally able, energetic, and mature. Mr. Williamson has been in his current grade since December 1956. In view of the considered judgment concerning the value of his performance in Spain, his good administrative qualities, his obvious maturity, energy, judgment and experience, it is strongly recommended that Mr. Williamson be promoted to grade GS-15.

1. Subject is a mature, experienced, well-rounded operations officer and administrator. For the past fifteen months he held the position of Deputy Chief of the Manila Station. For an extended period of time during that period he was Acting Chief of Station. As the attached Fitness Report will attest he has at all times discharged his responsibilities in an outstanding manner. In addition to the approximately four months that I have been able to observe Subject's performance at this post, I also had the privilege of serving with him at Manila and I was then, as I am now, impressed with his professional competence and his fine personal attributes. In every sense of the word, Subject is a dedicated officer who works "around the clock" in his efforts to expand and improve [REDACTED] coverage in this area.

2. Considerable credit is due to Subject for the improvement of our relations with the [REDACTED] during the past three months. He has spent a considerable amount of time and effort in bringing about needed reforms and economies in the operation of our [REDACTED] cutting out redundancy and streamlining the actual operations. In addition, Subject has been particularly effective in [REDACTED]

3. The attached Fitness Report speaks for itself. Subject has been in his current grade since October 1956. Given his age, his experience and authority, and his consistently fine performance in his current position, I strongly urge that he be actively considered for promotion to GS-15 at the next appropriate annual meeting.

1. As reflected in his most recent Fitness Report, Subject, who has been serving as Deputy Chief of Station and Chief of [] at this Station, has demonstrated outstanding talents in management of personnel and their activities, developing [] in operations both joint and independent. Because of my confidence in him, which is apparently shared by Headquarters, he is being retained here for a long period as Acting Chief of Station after my departure. As I have said in his Fitness Report, he is the best deputy I have had in my [] career and altogether an outstanding officer.

Recommendation for Promotion

1. Mr. Williamson has been with the WH Division since June 1952 and at the Havana station since 17 January 1953. His efforts have been highly successful and are marked by an excellent grasp of the problems involved. Mr. Williamson also acts as Chief of Station during any absence of the Chief. The variety of problems he encounters are met with considerable ability.

2. The promotion of Mr. Williamson to the next higher grade is recommended, in view of the excellent performance of his present responsibilities. He has demonstrated his capacity to perform fully and effectively in a field assignment.

SUBJECT: Earl J. WILLIAMSON

1. It is requested that subject be processed at the grade of GS-11 for Slot No. 2, Intelligence Officer Operations, Lima, Peru, as a replacement for Mr. [redacted] Mr. [redacted] will be transferred to another station in Latin America in the next few months.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Earl J. Williamson
1 April 1970 to 31 March 1971

Mr. Williamson departed [redacted] on 21 February 1971, after having served as Chief of Station for two and one half years. The last year of his tour was highlighted by two extremely delicate, highly productive operations targeted against the [redacted] operation of a most sensitive nature stemming from them. This latter operation, focused as it was around [redacted] called for constant good judgment on how to pursue U. S. Government interests with this highly sensitive and significant intelligence at hand. (It was highlighted at the WH Division's Chiefs of Station Conference held in February 1971 as a classic example of both the collection and use of intelligence on the real "national interest" level.)

Throughout these operations, Mr. Williamson handled himself very well, especially during the latter part of his tenure when he was under considerable pressure as an almost inevitable consequence of the impact of these operations. Ultimately, Mr. Williamson's [redacted] was requested by the [redacted] [redacted] It should be stressed that this was a mark of his operational success rather than the result of any operational "flap" or miscue whatever. [redacted]

The

fact that, under these general circumstances, he continued to function normally, responding to numerous demands being made on him by the situation and Headquarters, and set about paving the way for his successor to take up the cudgel from the best operational platform -- all this speaks for itself and certainly underlines the fine quality of Mr. Williamson's professional and personal characteristics.

In the realm of normal activity, Mr. Williamson handled his officers with both firmness and tact. He was a good manager, ran a taut Station, and had cut back on several marginal operations, streamlined others, and initiated some new ones. He writes well and quickly, and he has exceptional fluency in Spanish. He moved very well in the local community and, during his tenure, established a wide range of contacts.

Mr. Williamson's relationship with the [] was excellent, and his wife was a great help to him in discharging his representational duties and [] within the []

In sum, Mr. Williamson is a "pro" who turned in a strong performance both before and after the chips were down.

[] has become progressively more important to the Agency because of its very active [] and signs of the imminent arrival of the []. In anticipation, Mr. Williamson has geared his Station and honed his operations to cope with these problems. [] Station has some of the more sophisticated and interesting operations in the [] area, and the Station is preparing to exploit its assets to the maximum to meet the expected presence of the [].

Mr. Williamson is an old "pro" who has had a variety of experiences in the intelligence field and who brings to his work maturity garnished with enthusiasm and expertise.

He has done particularly well in guiding his subordinates and extracting the maximum from them. His leadership is deft but firm.

His relationship with the past ambassador, a difficult person to deal with, who was not at first happy to have Mr. Williamson, progressed to the point that he became a valuable member of the Country Team and had the respect of the ambassador. There is a new ambassador now and it is clear that Mr. Williamson has gotten off to a very good start with him.

His subordinates have a high regard for him--from a professional as well as personal standpoint--and look to him for guidance and leadership.

He is judicious in the use of government funds, extracting the maximum from the operational dollar. His Spanish is excellent, and his experiences in Latin affairs have given him a grace in moving among the locals.

Mr. Williamson began his tour as Chief of Station, San Jose, in July 1968. He was well prepared for the responsibilities of the assignment, having served in two important stations as Deputy Chief of Station, and as Deputy Chief, WH/COG.

Shortly thereafter [] activities placed an additional burden on the San Jose station and on relations with the [] Mr. Williamson weathered these initial rough spots well, keeping Agency interests protected.

Furthermore, he has won a strong endorsement from the ambassador who has made it a point to inform Headquarters officers that he is highly pleased by the manner in which Mr. Williamson is handling his assignment.

MEMORANDUM FOR THE RECORD

SUBJECT: Memorandum in Lieu of Fitness Report -
Mr. Earl J. Williamson

1. Mr. Williamson is on the eve of his departure as an overseas Chief of Station. This is a logical and justified next step in his career development. Mr. Williamson's responsibilities have been considerable in recent years: DCOS in two important Stations; Chief, FI and then Deputy Chief of WH/COG. It should be pointed out that in the latter position he was Acting Chief for long periods, performing admirably. His new assignment indicates that the most senior officers in the Division have recognized this.

2. Mr. Williamson is a professional intelligence officer in the strictest sense of the word. He is hard-driving and tenacious; despite his seniority he is on any list of activists; he has the capability of getting things going, of getting the job done. He applies rigid standards to his subordinates, but no less rigid than those he applies to himself. He is cost-conscious to an unusual degree. He is a fluent speaker of idiomatic Spanish and can handle himself well in any milieu. If Mr. Williamson is ever less than diplomatic it is when considering ersatz operational proposals or phoney practices, neither of which he can tolerate.

3. There is no question that in his next assignment Mr. Williamson will benefit from the social graces of his charming wife. In his own private life Mr. Williamson maintains numerous important contacts.

SECRET

4. In summary, Mr. Williamson is a dedicated and professional intelligence officer. He will undoubtedly continue his fine performance as a Chief of Station, and should in time be promoted to the next higher grade.

80 hours, full time

Participant : Williamson, Earl J. Office : WH
Year of Birth: Service Designation: D
Grade : GS-15 No. of Students
EOD Date : June 1952

COURSE OBJECTIVES, CONTENT AND METHODS

The COS Seminar is aimed to prepare prospective Chiefs and Deputy Chiefs of Station and Chiefs of Base for field assignments. Emphasis was upon the difficulties confronting Chiefs of small or medium-sized installations, since they must handle a peculiarly wide range of problems. Included were case studies serving to remind outgoing chiefs of various operational approaches and techniques, but more time was devoted to policy, coordination, management, reporting, and administrative responsibilities of the Chief of Station, both within CIA and in the government at large, at home and abroad.

The bulk of the course is given in lectures and question periods conducted by officials responsible for the missions, functions, programs, and services discussed. A few key items of suggested reading are included, and bibliographies of suggested reading tailored to the individual's assignment are offered for those who want them.

ACHIEVEMENT RECORD

This is a certificate of attendance. No further assessment of individual capacity or performance is made in this course.

MEMORANDUM FOR THE RECORD

SUBJECT: Memorandum in Lieu of Fitness Report -
Mr. Earl J. Williamson

1. Mr. Williamson reported to WH/Cuban Operations Group in February 1966 and immediately took over the functions of Chief of the FI Branch. This Branch is concerned with the conduct of positive intelligence operations on a world-wide basis against [redacted] target. A small proportion of these operations were conducted directly from Headquarters (including the [redacted]). The larger number of these operations was conducted through [redacted] supervision involved the provision of staff support and guidance and extensive dealings with other Divisions and, to a lesser degree, with [redacted]. Mr. Williamson took hold of these duties quickly and forcefully and carried them out effectively and efficiently.

2. In July 1966, Mr. Williamson was appointed Deputy Chief of the Cuban Operations Group. In this role his duties involved supervision of the totality of the operational effort, including FI, CI, [redacted] and [redacted].

Again, Mr. Williamson undertook his broader duties forcefully and efficiently. He has shown qualities of leadership and good managerial skills in dealing with personnel and organizational matters.

3. During this period, Mr. Williamson has primarily been interested in substantive operational matters. He has carried out efficiently and promptly those staff functions which I have assigned to him, but I detect a certain lack of interest in these. Probably this reflects his most outstanding ability and consuming interest in the real heart of our activities--the production of intelligence and in the conduct of actions against our target. He has participated personally in several operations and is one of the relatively few senior officers who delights in handling agents and making recruitments.

SECRET

4. Mr. Williamson is conscientious and economical in the use of operational assets, manpower and money. He is married to a charming young woman who is socially active, entertains well and is a real asset in representational activities.

5. Mr. Williamson's Spanish is fluent and colloquial, and in combination with his extensive understanding of Latin America and its people contributes enormously to his effectiveness.

Having observed subject's work only from Headquarters, my evaluation of his performance is based entirely on the results and production which he and the section which he supervised achieved. composed (in addition to himself) of [redacted] officers and a secretary. Although he may be considered a "tough" supervisor in demanding the best of his subordinates, the record will show that he was able to build a very successful program.

During his tour at this Station, Subject made an important contribution toward the achievement of high priority targets. He is in every sense of the word an experienced, energetic and dedicated officer.

Since Subject's activities in support of other WE stations in the conduct of Cuban operations were under the direction of Headquarters, the rating box for this specific duty has been left blank for completion by the appropriate Headquarters official.

NARRATIVE COMMENTS

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective the relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties must be described, if applicable.

During the period under review Subject's activities in support of Cuban operations elsewhere in Europe and his responsibilities as Coordinator of Cuban activities for Western Europe have kept him away from the Madrid Station approximately one half of the twelve month period. Since these activities were under the direction of Headquarters, and not this Station, the rater does not feel qualified to comment on Subject's performance of Specific Duties 2 and 3 and has therefore left those rating boxes blank for completion by the appropriate Headquarters' official.

With respect to Specific Duty 1, supervision of Station's Cuban operations, Subject has applied himself aggressively and imaginatively to this task and the rater feels that Station's Cuban operations have been maintained at a high level and have been an important contribution to KUBARK's world-wide effort against this priority target. Obviously Subject's frequent and prolonged absences from the Station have not permitted him to give this task his undivided attention or the day-to-day continuity that is so necessary and important.

In the conduct of the Station's Cuban operations Subject has direct supervision of ☐ officers, ☐ full time and ☐ part time ☐ officer, and a secretary. Subject is an efficient organizer and supervisor. He thinks and writes clearly. He is fluent in Spanish. In the conduct of the extensive Cuban operations he has shown himself to be

COMMENTS OF REVIEWING OFFICIAL

I know subject and am thoroughly familiar with his work and performance. I concur in this report with one exception, namely the rating given subject for specific duty No. 6. Because of his travels which absented him from the Station for one-half of the past year, subject performance was inadequately qualified to take charge of the station in the absence of the COS. Specializing on Cuban operations entirely, he has but a limited knowledge of the station's other activities and considering only the effectiveness of his performance of this duty, I could not rate him higher than P. This is not a comment on his capability but rather an evaluation of his effectiveness in performance of this particular duty.

SECTION E NARRATIVE DESCRIPTION OF MANNER OF JOB PERFORMANCE

Stress strengths and weaknesses demonstrated in current position. Indicate suggestions made to employee for improvement of his work. Give recommendations for his training. Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.

Subject is a strong officer from every important point of view. He is experienced, intelligent, alert, aggressive, extremely hard working and conscientious. He is never satisfied with the status quo but is constantly striving to acquire new operational assets or to improve the functioning or production of old or current projects. He is tough-minded and abundantly endowed with intellectual as well as physical courage. If he has any one weakness, it is his impatience with subordinate officers and employees who do not tackle their operational duties with the same degree of zeal that he himself applies. His direct and forceful manner in calling such shortcomings to the attention of case officers under his direction has, on infrequent occasions, caused some minor and transitory resentment. In most cases, however, it has also resulted in improvement in the attitude and performance of the officer in question.

Subject is especially effective in his dealings with [redacted] and the fact that our [redacted] with the [redacted] are currently on a cordial and more productive basis is due mainly to the thought, energy and time which Subject has devoted to this important activity. At the same time, subject has not permitted [redacted] considerations to inhibit the planning and development of [redacted] operations and agents. In this connection he has been especially effective in developing valuable assets for [redacted] operations.

Subject has an outgoing personality; makes friends easily, especially among Latins. He is a mature person who is respected by his Station colleagues and by the senior [redacted] and other agency representatives with whom he maintains contact. He has direct supervision over [redacted] officers and clerks. He is a good administrator. He writes effectively. (Continued on attached sheet)

As a well rounded operations officer and administrator, Subject is qualified to run his own station and, in my opinion, it would be an injustice to him if he is not assigned as chief of a medium sized station when his service in Spain is completed. It is my hope, however, that Subject will be given a second tour at Madrid when his current tour ends in October 1962.

OFFICE OF PERSONNEL

Stress strengths and weaknesses demonstrated in current position. Indicate suggestions made to employee for improvement of work. Give recommendations for his training. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.

This officer, who is Deputy Chief of Station and also Chief of [redacted] directly supervises a sizeable number of personnel involved in joint operations with [redacted] and directs the operations in which they are engaged. In the comparatively short time he has been in this Station he has succeeded in making major advances in our [redacted] to the point where we can now accomplish considerably more than before his arrival. He is energetic, imaginative, gets things done, and works round the clock — his off duty hours he employs mainly in [redacted] and other operational relationships. Furthermore, unlike some officers in [redacted] he is also most active developing [redacted] operations. As for his qualities as a deputy, suffice it to say that he is the best deputy I have had in my entire career with this organization — a truly outstanding officer, as reflected in the numerical ratings I have given him, whom I would be glad to have with me any place I may be assigned.

In the limited period covered by this report Mr. Williams ^{May 11 2 59 PM 1961} displayed a professional competence based on experience. He accepted direction willingly and evidenced maturity and balance.

MAIL ROOM

Given the limited time on the desk and the preparatory nature of his tasks, there is no firm basis for judging his ability to handle subordinates or to make major substantive decisions. Available evidence, however, indicates no major weaknesses, and indeed, gives promise of considerable capacity.

Mr. Williamson is very energetic and enthusiastic. He maintains excellent working relations with the WH Division. He has performed special operational tasks in the Field at the specific request of Chief, WHD. He is particularly well qualified for [redacted] work in a Spanish-speaking country (e.g. Spain, or an important Latin American country).

SECTION IV

This section is provided as an aid in describing the individual. Your description should be objective or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The descriptive words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most people. On the right hand side of the page are four major categories of descriptions. The first category is divided into three small blocks; this is to allow you to make finer distinctions if you wish. At the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means you have the definite opinion that the description is not at all suited to the individual.

SECTION IV

This section is provided as an aid in describing the individual. Your description is not favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The descriptive words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most people. On the right hand side of the page are four major categories of descriptions. The scale within each category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

SECTION V

He is an excellent [] and contact man. His unflagging good humor and friendly manner have made him very popular with all classes of Americans and natives. Even when carrying out disagreeable tasks, he manages to do it with the least possible offense to others.

He is not a desk man. Although he writes well he would be bored with the routine involved in processing, collating and reporting.

TRAINING REPORT

MANAGERIAL GRID SEMINAR (50 hours) DATES: 23-28 April 1967

Student : Earl J. Williamson

Office : WH

Year of Birth:

Service Designation: D

Grade : 15

No. of Students :

EOD Date : June 1952

COURSE OBJECTIVES AND METHOD

Course objectives are to aid participants to: learn the managerial theories contained in the Grid; understand their personal managerial styles in Grid terms; evaluate convictions about managerial values; develop team action skills; increase candidness of communication; strengthen the use of critique for problem-solving and learning; and acquire an appreciation of Organization Culture and Development.

The method of learning offers a challenge to all participants regardless of level or experience. A Grid Seminar is not "taught" in the usual sense. In Grid teams, participants solve complex management problems. Objective solutions are made available. Individual and team performance is repeatedly assessed. Various measuring instruments are used to evaluate effectiveness.

Critique sessions assist each participant to understand how he might change his own behavior to increase his problem-solving effectiveness. Thus managers are not told the best way to manage, but they learn by convincing themselves.

About twenty to thirty hours of study are completed as prework. Insights gained are deepened and personalized during the intensive 50-hour Seminar.

ACHIEVEMENT RECORD

This is a certificate of attendance only. No attempt was made to evaluate student achievement in this course.

mistaken policy, that was ultimately rectified when the Platt Amendment, which had allowed our government to intervene in Cuba, was abolished in 1934.

There are diplomatic and military lessons to learn from the recent civil war in Cuba. A policy of winning governments and losing people must definitely be discarded if we are going to win and maintain the sincere friendship of the people of Latin America. We are looked upon as the champions of freedom, freedom of the people, by the people and for the people, and our message in that regard should be transmitted to the peoples of the Americas.

The retention of the Military Missions in Cuba was a serious mistake, compounded by the fact that there was a provision in the agreement that permitted their immediate withdrawal in the event of a civil war. Yet it was stated that their continued presence was necessary for hemisphere defense. In February 1959 the Missions were withdrawn at the request of the Cuban government because Castro felt that officers who trained an army he had defeated could not teach him anything about warfare in his country.

The Central Intelligence Agency, I understand, reported the steady and inevitable collapse of the Batista regime and the indignation over the retention of the Military Missions. Did the other government agencies, who were responsible for coordinating policy regarding Cuba, make adequate and sensible use of this evaluated intelligence? If not, why not?

And there were other members of the embassy staff in Havana who did not spend all their after office time at lackey, cocky, pushing cocktail parties but had their ears to the ground and developed friendships with the man in the street, the student and the rebel. Earl Williamson was one and he is now in Washington, and so was Ignacio Carranza, now on duty in Guatemala. The Cuban people are grateful for their understanding and objective approach to their problems and their discreet inquiries which helped save the lives of political prisoners.

No ambassador should be sent to any post unless he can speak the language of the country. A new relationship with Cuba began with the arrival of Ambassador Philip W. Brownell in

The appointing officer before whom the foregoing certificate is made shall determine to his or her satisfaction that this appointment should be in compliance with the Civil Service Act, applicable Civil Service Rules and Regulations and Acts of Congress pertaining to appointment. The form should be checked for having of office, position, suitability in connection with any record of record discharge or arrest, and particularly for the following:

The appointee's signature and handwriting are to be compared with the application and other pertinent papers. If the appointee qualified in a written examination, the signature on the form should be compared with the signature on the declaration sheet, which was signed on the examination room. The photo of appointee may be checked against the official certificate. The appointee may also be questioned as to his personal history for agreement with the previous statements.

(2) **Age**—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such a determination is made, the appointment may not be consummated.

(3) **Citizenship**—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) applicable Acts. From all constitutes an affidavit for both purposes and is acceptable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointing officer should not be consummated until clearance has been secured from the existing office of the Civil Service Commission.

(4) **Members of Family**—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving United States Government in permanent appointment in the competitive service, no other member of such family is eligible for probationary or permanent appointment in the competitive service. The appointment of persons entitled to special preference are not subject to this requirement. The members of family provision does not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for decision.
